### STATE OF NEW HAMPSHIRE

(L.S.)

*To the Inhabitants of the Town of Goffstown, in the  
County of Hillsborough, and in said State, qualified  
to vote in Town Affairs:*

You are hereby notified to meet at the Grange Hall in Goffstown Village on Tuesday, the twelfth day of March next, at ten o'clock in the forenoon to act upon the following subjects:

First—To choose all Town Officers and Agents for the ensuing year, including a member of the Board of Selectmen for three years.

Second—To see how much money the Town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see how much money the Town will vote to raise and appropriate for maintenance and improvement in our cemeteries.

Fourth—To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars for maintenance and improvements at the Barnard Playground.

Fifth—To see if the Town will vote to redecorate the interior of the Town Hall at Grasmere and raise and appropriate money for the same. Agreeably to the petition of Benjamin F. Greer and eleven others.

Sixth—To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars to purchase

a sand and gravel loader with a built in screen, the same to be used for screening and loading sand and gravel for highway maintenance. Agreeably to the petition of Wade A. Knowlton and eleven others.

Seventh—To see what action the Town will take about purchasing a new Fire Truck and to raise and appropriate money for the same.

Eighth—To see if the Town will vote to authorize its Selectmen to borrow from time to time, as needed, certain sums of money in anticipation of taxes, not to exceed in total at any time the sum of \_\_\_\_\_ dollars, giving the Selectmen the right to renew said loans in anticipation of taxes as may be found necessary.

Ninth—To see if the Town will vote to authorize its Selectmen to administer or dispose of any Real Estate acquired by the Town through the Tax Collector's Deeds.

Tenth—To see if the Town will vote to allow its Selectmen to renew the Bridge note, so called, held by the Hillsborough County Savings Bank, upon which nine thousand (\$9,000.00) dollars is due August 1, 1940, at such times as the bank may require.

Eleventh—To see if the Town will vote to accept State Aid for the construction of Class Two Road, known as the Shirley Hill Road, and to raise and appropriate or set aside for said purpose the sum of Two Thousand Four and 75/100 (\$2004.75) Dollars, the State to contribute an equal sum, or will vote to accept State Aid for improvement of Class Five Roads and to raise and appropriate the sum of Nine Hundred Forty-seven and 13/100 (\$947.13) Dollars, the State to contribute Three Thou-

sand Seven Hundred Eighty-eight and 37/100 (\$3788.37) Dollars.

Twelfth—To see if the Town will vote to accept, for Town purposes only, a gift of the Bretton Inn lot on Main Street, formerly owned by Fred A. Condon, and acquired by the donors from his estate.

Thirteenth—To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars for the suppression of the White Pine Blister Rust.

Fourteenth—To see if the Town will vote to accept and improve Elmwood Avenue, so called, from Rockland Avenue, so called, westerly for about five hundred feet to Laurel Avenue, so called, and raise and appropriate money for the same. Said street is shown on the plan of West Side Terrace, now on file in the Hillsborough County Registry. This article is inserted by petition of Robert Bunton and thirty-two others.

Fifteenth—To see if the Town will vote to lay out and build Roy Street, so called, from the Mast Road westerly to the road that leads from Moquin's Corner, so called, southerly to St. Anselm's College, and to raise and appropriate money for the same. This article is inserted by petition of Alfred A. Danis and thirty-one others.

Sixteenth—To see if the Town will vote to accept and improve Haig Street, so called, from the Mast Road westerly to land of Lucian W. Bartlett, and to raise and appropriate money for the same. Said street is shown on plan of Libby Plat Annex which is on file in the Hillsborough County Registry. This article is inserted by petition of Zeb Barry, Jr., and thirty-nine others.

Seventeenth—To see what sum of money the Town will vote to raise and appropriate for the support of the poor, construction and maintenance of Highways and Bridges, and all other necessary Town expenses for the ensuing year, including the amount required for Memorial Day.

Eighteenth—To hear the reports of Agents, Auditors, and Committees and pass any vote relating thereto.

Nineteenth—To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-sixth day of February, 1940.

REPORT OF GOFFSTOWN VILLAGE  
FIRE PRECINCT

Fire Wardens  
and  
Water Commissioners

## PRECINCT AND TOWN REPORT OF FIRES—1939-40

---

During the past year we have responded to the call for 86 fires, 33 in the Precinct and 52 for the town and 1 out of town. Precinct: 9 chimney, 3 brush, 6 grass, 4 incinerators, 2 auto, 1 oil stove, 2 oilheaters, 1 dump, 3 false, 1 oven. Town: 5 building, 10 chimney, 26 brush, 2 grass, 1 auto, 3 dump, 1 hay stack, 1 false, 3 rubbish. Out of Town: 1 fire in the town of Weare for which they paid the fireman \$24.90 and the town \$5 for the use of their fire truck.

This past year we have had many fires, but due to the fact that our firemen are on their toes at all times, we have been able to hold our losses down, having our largest loss in the home of Mr. and Mrs. William Merrill in Grasmere. The next largest in the home of Mr. and Mrs. Russell Gibbs on Mountain Road.

Our brush fire season was much too long, starting the 14th day of April and not stopping until the 25th day of December, having in that time 29 brush and 8 grass fires.

These fires cost the town a large sum. We are asking you to please help us to cut down these fire losses and number of fires, thereby reducing expenses.

The Fire Wardens and Firemen are at your call at any time, and as your demands have increased, so must ours, as much as you help us, the more we can be of service to you. We are asking for a new truck this year. We need this piece of equipment. By your buying one new truck we will have three good pieces of apparatus, two 500 gallon pumps and one ladder truck, also our portable pump which has been run over 500 pumping hours.

We wish to thank every one for their cooperation this past year, and especially for our new Fire Alarm. May

the board of Fire Wardens say the same to you next year for a new truck?

The trucks this year have covered 1500 miles and the pumps have been used over 100 hours.

## REPORT OF RECREATION COMMISSION FOR CARE OF BARNARD PLAYGROUND

---

The Playground Commission supervised the care of the playground. The children's equipment has been repaired and was very popular throughout the summer. Lack of water reduced the swimming possibilities in the pond, nevertheless it was used as long as possible. One tennis court is under repair, which made it difficult to accommodate all those who wish to play tennis. It is planned to finish the work in the Spring so that both courts will be usable all summer. The flagstaff has been repaired, and will be reset in the Spring.

A public spirited group of about twelve young men gave their time, and Mr. Herman Hall also gave the use of his truck while this group did the work of levelling the ball field.

Weak boards in the grandstand have been replaced. Six unbreakable street light heads with receptacles and reflectors were purchased as permanent equipment.

Several successful lawn parties were held.

## REPORT OF TRUSTEES GOFFSTOWN PUBLIC LIBRARY

---

At the request of Grasmere readers it was decided to continue to issue books at that village throughout the Winter months. Miss Barbara Swett is in charge of the work there, issuing the books from her home one day each week, and reports an increasing interest by residents of that locality.

In order to eliminate unused borrowers' cards a new series of registrations has been started. To date, 611 registrations have been renewed, which with the 139 new registrations during the year shows the number of active borrowers to be 750.

The value of the rebinding outfit purchased just prior to the beginning of the year is proven by the figures showing that only four volumes were rebound at the bindery at a cost of \$3.77 as compared with 19 volumes in 1938, costing \$13.36. Repairs on the building included work on the chimneys and the laying of linoleum in the stack room.

The librarian and two members of the board of trustees attended one day's session at the annual convention of the New Hampshire Library Association at Plymouth in September. At this meeting the certification of librarians as a means of unifying and improving the standards of the position was discussed and our trustees were glad to report that Miss Marden had voluntarily fulfilled the requirements and been awarded a certificate.

Again we extend our thanks to our friends—individuals and organizations—who have increased the usefulness of

the library by gifts of books and periodicals. It is our hope and aim to deserve the continued interest and support of the people of Goffstown.

## REPORT OF THE CEMETERY TRUSTEES

---

During the past year the usual standard of upkeep has been maintained in the care of our cemeteries.

The prolonged drought of the past summer was not conducive to usual good appearance of the lawns but we hope that no serious damage has resulted to them by it.

At Shirley Hill Cemetery the wall has been completed around the additional land acquired and will be a substantial improvement we hope for many years.

The trust funds for care of lots have received numerous additions during the year showing the interest manifested by our people, in having care of their lots continued.

The Trustees wish to thank the sextons and all others interested for their co-operation in helping to make our cemeteries more beautiful.

## REPORT OF THE SCHOOL BOARD

---

### GOFFSTOWN INDEPENDENT SCHOOL DISTRICT

The following repairs and improvements have been completed this year:

The High School building was completely recorked and the east wall pointed up before applying two coats of water-proofing paint. These repairs were made in order to prevent the outside moisture from penetrating the wall and crumbling the inside plaster as in the past.

All new windows were installed in the third and fourth grade room, as the old sashes were worn out.

A new steel wire fence with posts set in cement was installed on the south side of the school yard.

The stage in the Assembly Hall was enlarged, footlights, and a curtain installed. This provides more room and better facilities for the students to give plays and entertainments.

A General Shop course for the boys has been inaugurated this year. This course includes instruction in metal work, cement mixing, welding, electrical repairing, automobile repairing, manual training, and cabinet making.

A Domestic Science course for the girls, which includes sewing and cooking is now in operation. The Domestic Science room has been refinished and is now a model kitchen and sewing room. Sinks and cupboards have been installed. The Public Service Company has very generously given the school the use of three electric ranges on a loan basis. This means the school is given the use of about \$500.00 worth of electrical equipment. This equipment will be replaced with the newest type of ranges from time to time at no cost to the School District.

The School Board wishes to thank the Superintendent, the teachers, and the parents for their fine cooperation during this year.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

### *To the Citizens of Goffstown Special School District:*

This year has brought three new teachers, the number now including the Music Supervisor is eleven.

Kathryn Walsh resigned at the end of last school year to accept a position at Salem at an "advance." Alice Hazlett, the Commercial teacher, married. We cannot fail to recognize the capable work of these teachers and regret their going.

### Teachers

To provide for these vacancies, Eva Martin, a graduate of Plymouth Normal, who had been teaching at Farmington for three years, was elected to teach the commercial subjects. For Miss Walsh's work in grades seven and eight and coaching girls' basketball, Virginia Bodwell, of Manchester, and graduate of Keene Teachers College, was secured. For the new course in Home Economics given for the first time here, Charlotte Redden, of Portsmouth, a graduate of Keene Teachers College, and having taught for two years in Ashland, was chosen.

### Courses

The new course just mentioned above is given for Freshmen and Sophomore girls. This year the work had to do with clothing, textiles, sewing and care and selection of materials. Eighteen girls were enrolled. A new sewing machine and tables were added. The walls and ceiling of the room were all "done over" during the summer vacation, and affords ample, well lighted, comfortable working conditions. Miss Redden's major training was in this field with two years of previous experience,

has been admirably able to launch this new departure, and important type of work.

### General Shop

This program also began this year under the capable direction of George Jones. To accommodate some of his work a shop room was leased in a building adjoining the school grounds. While the work this year involved some wood-work and cabinet making, it has included an acquaintance work on autos, the mechanism and care of. Also, iron work, electrical work, cement and metal besides wood-work which includes making of chairs, tables, cabinets, bookcases, boats, and a variety of useful things. Twenty fellows were enrolled. The shop work required three hours daily and allows two credits of the four required each year.

The Home Economics and "General Shop" have not displaced any other courses, but have added to the possibilities the school can now offer to our young people.

### Assembly Hall

During the summer, work which had been previously begun in the hall by building a stage, then enlarging, and finally enlarging a bit more, with tracks and curtains and foot-lights. It affords a most necessary accommodation for the assemblies, plays and programs. Some of the money came from an operetta of some years ago, some class gifts and some from prize speaking. This now provides a new opportunity for all of the present high school pupils and for those who will come in future years.

### Open Night

The "Open Night" this year was in October, seemed to interest more of the people than ever before. It has been a source of gratification to find that parents can and do arrange to use the night to acquaint themselves with the

schools, to see something of the actual work as nearly as it can be shown, and to see the children eager to do their part.

### Tuition Pupils

In high school this year there have been 74 tuition pupils:

|                                 | 74 |

A few of these have dropped out. There are about 68 at the present time. The high school tuition is \$80 per pupil per year.

There have been 15 elementary tuition pupils. The elementary tuitions are \$45 per pupil for the year.

One of them has left for Manchester.

The attendance for last complete school year was 96.4%, a fine showing, indicating an interest on the part of both parents and pupils.

The reports this year concerning graduates who are now in college or University or other post and secondary institutions, indicate that the same fine quality of work is being done. That this is so uniformly true year after year is a source of gratification for all concerned.

My appreciation is extended again to the members of the school board and to the teachers, and to the many citizens in the community who are constantly working for and with the school.

Respectfully submitted,

J. BYRON TARNEY,  
*Superintendent of Schools.*

## REPORT OF SCHOOL NURSE

---

Every child should make an annual gain, therefore each pupil is weighed and measured so that we may ascertain their rate of growth according to the scale prepared by the State Board of Health. Over 250 pupils were examined the first of the school year by Dr. Backus, the school physician, and the parents notified of any weakness, deformity or defects found.

The heart, lungs, throat, teeth, ears and skin are a part of the human machinery that goes through this annual inspection. Those pupils who wished to play basketball were given a thorough physical examination. Special attention was given to the heart, abdomen for signs of hernia and the blood pressure was taken on all. I doubt if many of the parents realize the numerous agencies that play an important part in our school health program.

Among the activities that come under this head and have been most helpful is the cardiac and orthopedic clinics held at the Balch Hospital. The District Nursing Association has an orthopedic, goiter and dental clinic, also a mental hygiene clinic which handles mental and nervous diseases and endeavor to help the problem child. There is also a trained worker here for those children with speech defects.

The tubercular clinic is held every Saturday with Dr. Kerr in charge. We have taken advantage of the Hanover eye clinic this winter. The County Hospital is always ready to take care of our tonsil cases or any case needing hospital care.

Free lessons in lip reading is being given by Mrs. Charles Hammond of Manchester to those children who are hard of hearing. This is being financed by the Rotary Club and the Hard of Hearing Club. Free fruit has been avail-

able this winter thru the Surplus Commodities Division for each and every school child.

The following report is the number of pupils affected and defects corrected during the school year 1938 and 1939:

|                        |     |                   |     |
|------------------------|-----|-------------------|-----|
| Defective teeth .....  | 185 | Defects corrected | 163 |
| Defective vision ..... | 36  | Defects corrected | 32  |
| Diseased tonsils ..... | 25  | Defects corrected | 19  |
| Cardiac disease .....  | 5   |                   |     |
| Appendectomy .....     | 10  |                   |     |
| Accident cases .....   | 5   |                   |     |
| Chicken pox .....      | 50  | Fall of 1938      |     |
| Scarlet fever .....    | 3   | December 1938     |     |
| Mumps .....            | 1   |                   |     |

Accompanied 5 children to a physician.

Accompanied 2 children to an oculist.

Accompanied 2 children to a throat specialist.

Accompanied 4 children to a cardiac clinic.

Dental clinic held May 4 and 5, 1939. 76 children received treatment.

Made 149 home visits during the school year Sept. 1938 to Dec. 1939.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

*To the voters and citizens of Goffstown Town  
School District:*

Owing to a smaller enrollment at the Bartlett School, it seemed un-wise to continue the "Special Teacher" there, for the time at least. While there are pupils who would profit by the arrangement, the number did not seem to warrant a contract for that work alone. The last two or three years, the enrollment in the primary room dropped until there were just about one-half as many as there should be. Accordingly, one teacher was dropped, and groups rearranged, so that the primary room at present has about its usual number and the pupils more equally distributed. Three teachers are carrying on the work here. Mr. Lawrence Goss of Portsmouth, a graduate of Keene Teachers College and with experience, has taken charge of the grammar room. There are eight teachers this year, two less than for the past few years.

The enrollment at Shirley Hill 20, Parkers 24 at one time, but 18 at present, Grasmere 80, and Bartlett about 100.

Graduating from Goffstown High School last June:

|                |                 |

| Henry Bartlett | James Dawson    |
| Maurice Bedard | Marion Eaton    |
| Allen Bixby    | Roland Nay      |
| Barbara Brown  | Ernest Tibbetts |

In the present Senior Class of Goffstown there are six pupils from this district:

Those starred entered high school in September.

The enrollment at the Bartlett School has been somewhat higher than we had anticipated, and it will probably be advisable to add one more teacher there next year, which will make four.

The Naturalization Classes at the Bartlett Building under the direction of Charles Crossett continue. While the group is not large, it is a changing one, when final "papers" are issued, individuals usually drop out. Others come in as occasions develop, to get needed help. Most of us can scarcely realize the difficulties which lie in the way of some individuals who should become and want to

become "Naturalized" and have all rights of citizenship, but because of some slight technicality have been unable to bring about the completion of matters. Mr. Crossett has been able to direct in these, and in other ways that have been a substantial help.

Each month at the Bartlett Building a Clinic is held under the direction of the State Nurse assisted by Miss Walker, the School Nurse, for Pre-school children. Attended by doctors and dentists, the value of this preventive and remedial program is more than can be seen at once. This is not connected directly with the school work, and the district assumes no responsibility whatsoever in any way except to provide the room where their clinics can be held. But it does relate to schools in other ways so when children do enter they will become physically better fitted.

To the members of the School Board and teachers and all who cooperate in any way, my thanks.

Respectfully submitted,

J. BYRON TARNEY,  
*Superintendent of Schools.*

## REPORT OF THE SCHOOL BOARD

---

### GOFFSTOWN TOWN SCHOOL DISTRICT

The Annual Meeting of Supervisory Union No. 19 was held at Bow, New Hampshire, May 16, 1939, Roland Barnard, Chairman, presiding, and Mr. J. Byron Tarney was re-elected our Superintendent.

In accordance with Public Laws, the amount due from our District to the State Treasurer's office this year amounts to \$676.00 for 338 pupils.

All changes made among our teachers will be mentioned in the Superintendent's report.

The Board is again asking in the Warrant your permission to sell No. 4 School.

The Board also would be pleased to hear remarks at the School Meeting towards sponsoring patrols at the Bartlett School.

We wish to acknowledge the faithful work and co-operation of our Superintendent, teachers, and parents.

Respectfully submitted,

RAYMOND C. GREER,  
*Chairman of the School Board*

## REPORT OF SCHOOL NURSE

---

### GOFFSTOWN TOWN SCHOOL DISTRICT

Every child should make a regular annual gain, therefore each pupil is weighed and measured so that we may ascertain their rate of growth according to the scale prepared by the N. H. State Board of Health.

Over 200 pupils were examined the first of the school year by Dr. Swett, the school physician, and the parents notified of any weakness, deformity or defects found.

The heart, lungs, tonsils, teeth, ears and skin are part of the human machinery that should go through this annual inspection. I doubt if many of the parents in our towns realize the numerous agencies that play an important part in our school health program. Among the activities that come under this head and which have been most helpful are the cardiac and othopedic clinics held at the Balch hospital. The District Nursing Association has an orthopedic, goiter and dental clinic, also a mental hygiene clinic which handles mental and nervous diseases and endeavors to help the problem child. There is also a trained worker here for those children with speech defects. Two children in our schools have benefited by this clinic.

The tubercular clinics are held every Saturday with Dr. Kerr in charge. We have taken advantage of the eye clinic at Hanover this year and one child has had cataracts removed at the County Hospital. This institution has also taken care of tonsils cases or any case needing hospital care and has taken tests for one child who is suffering from asthma.

Free lessons in lip reading is being given by Mrs. Hammond of Manchester to those children who are hard of

hearing. This is being financed by the Manchester Rotary Club and the Hard of Hearing Club.

Free fruit has been available through the Surplus Commodities Division for each school child this Fall and Winter.

The following report is the number of pupils affected and defects corrected during the school year from the Fall of 1938 to December 1939.

Accompanied one child to the cardiac clinic.

Accompanied one child to the mental hygiene clinic.

Accompanied one child to Dr. Provost.

Accompanied one child to go to the speech defect clinic.

Accompanied one child to go to County Hospital for asthma tests.

A baby clinic where the pre-school child is examined is held twice a month at the Bartlett School. Toxoid treat-

ments are given to any school child who wishes it at these clinics.

A dental clinic was given May 1939. About 30 children were treated.
